Experience

DCC Marketing

Decatur, Illinois

Digital Media Designer

June 2025 - Present

- * **Visual and Website Design:** Created illustrations, layouts, and brand-aligned assets; designed wireframes, prototypes, and supported front-end development for responsive websites.
- * **Social Media and Content Management:** Developed, scheduled, and managed social media content, increasing engagement and maintaining brand consistency.
- * **Cross-Functional Collaboration and Strategy:** Worked closely with Creative, Web, and Digital teams; analyzed data and performance to optimize design and marketing strategies.

UI Designer Intern

Oct 2024 - May 2025

- * **User Centric Website Design:** Created intuitive, user-focused interfaces for clients across industries.
- * **Platform-Specific Creatives:** Designed targeted ads for Meta and Google, along with organic social media content, resulting in **increase in engagement**.
- * **Research and Strategy:** Conducted in-depth client and audience analysis to deliver data-driven design solutions.

Web and Digital Marketing Intern

April 2024 - Sept 2024

- * **Strategic Planning and Market Research:** Developed digital campaigns aligned with client goals while conducting market analysis to enhance digital competitiveness.
- * **Performance Reporting:** Tracking campaign results, providing insights and actionable recommendations for optimization.
- * **Organic Posting:** Scheduled and posted organic content to maximize visibility on social media platforms.

Web Designer and Developer Intern

July 2023 - March 2024

- * **Designed and Developed Webpages:** Successfully created and maintained multiple responsive webpages, using HTML, CSS, and JavaScript.
- * **Debugged and Troubleshooted Issues:** Identified and resolved technical issues and bugs, ensuring smooth and error-free operation of the webpages.
